

New tab

New report

'MfE Levies' tab:

Ministry Waste Groups.
Long-term there are expected to be x Inwards groups and x Outwards groups

Mapping the products in the database to the Ministry groups

The non-weighted Products will need an average weight per Load or Item

The heading will show the selected month and any other relevant selections (e.g. Sites)

14-Jun-09

**Ministry for the Environment Waste Minimisation Levy Summary
for month Jun 09**

Waste Group	Transaction Count	Tonnes	Levy Amount
Inwards	1,836	1,993	\$19,928.90
Outwards	20	67	-\$665.80
Grand Total	1,856	2,060	\$19,263.10

Long-term when further Waste Groups are added, these will be grouped and subtalled by Inwards and Outwards
